Sir,

I have the honor to invite attention to a weak point in our Sanitary Procedures In para 127 1 Mysore Municipal Regulation, it is clearly laid down that any person who commits a nuisance in a street etc shall be prosecuted But one searches in vain for the name of any official whose duty it is to bring such acts to the notice of the local authority So to begin with I recommend that a para to this effect be added, "when such nuisance is committed within the beat of any Police constable, it shall be the duty of such constable to report the occurrence, with the name and address of the offender when obtainable, to the Station House Officer, and this officer shall send all such reports to the Health Officer where such exists, or to the Chairman of the Municipal Council, or the Headman of the village as the case may be where no local Health Officer exists It shall be the duty of the officer receiving the report to prosecute the offender under the Municipal Regulation 127, 1906 or under Rule 13, of Mysore Village Sanitation Regulation 1898.
